Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.

Water Use: Spiti is one of the coldest regions of Himachal Pradesh. Water supply in Tabo and Kaza is limited, as most water bodies freeze during winter.

Heating Arrangements: Homestays in Tabo, Kaza, have built-in chimneys or heaters to keep homestays warm and comfortable. In Narkanda, Sangla & Kalpa you can opt for paid Heater service

Booking Policy: You may block your seat by paying INR 8,000/-, with the remaining balance payable first days of the departure.

Weather-Dependent Travel: All explorations are subject to road and weather conditions. Flexibility is required. If it snow Haveliy Roads may get close we try our best to make the journey smooth but we are dependent on weather
