A well-rounded Himachal Pradesh itinerary that combines spiritual sites, natural beauty, adventure and local culture: the Golden Temple and Wagah Border in Amritsar, river rafting and paragliding in Kullu, Hadimba Temple and Solang Valley in Manali, the Atal Tunnel and Sissu, and the riverside cafes of Kasol and Manikaran. We have been running this itinerary for the past 7 years with 100% positive feedback from travellers. We limit our group size to 20 people and curate every batch for a positive, respectful vibe, with a 60:40 ratio of female to male travellers, mostly from corporate backgrounds.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
