Kashmir is the best thing that ever happened to India. It flourishes with maple in the fall and green pastures in the summer, and in winter Gulmarg, Sonmarg, Pahalgam and Srinagar appear cast in snow. This trip takes you through Pahalgam, Gulmarg, Srinagar and Sonmarg on a slow itinerary, so you get to explore your dream destination the right way. We have been doing Kashmir trips for the past 7 years, our vendors have a good relationship with Backpacker Tours, every itinerary is planned with the mountain weather in mind, and all stays are hand-picked by our founder after feedback from past clients.

Moments from KASHMIR

Breathtaking landscapes, charming villages, new friendships and unforgettable experiences — a journey captured in moments.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
