Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.

IMPORTANT NOTES

Before you join us

Stay Experience: All accommodations are homestays run by local families, offering an authentic Himachal lifestyle experience.

Meals: Only vegetarian meals will be served during the trip. In Spiti, meat is usually frozen in winter, making vegetarian food the most suitable option.

Water Use: Spiti is one of the coldest regions of Himachal Pradesh. Water supply in Tabo and Kaza is limited, as most water bodies freeze during winter.

Heating Arrangements: Homestays in Tabo, Kaza, have built-in chimneys or heaters to keep homestays warm and comfortable. In Narkanda, Sangla & Kalpa you can opt for paid Heater service

Nature of Trip: This is a winter adventure trip and not a comfortable holiday. It is best suited for those looking for cultural immersion, a local experience, and less-crowded valleys. Snowfall is totally weather dependent please be aware if anyone doing a fake commitment of snow visits

Train Travelers (Maharashtra & Gujarat): Participants joining by train are requested to confirm their seats at least 2 months before departure, so that confirmed train travel can be arranged.

Booking Policy: You may block your seat by paying INR 8,000/-, with the remaining balance payable first days of the departure.

Weather-Dependent Travel: All explorations are subject to road and weather conditions. Flexibility is required. If it snow Haveliy Roads may get close we try our best to make the journey smooth but we are dependent on weather

Washrooms: In Tabo and Kaza (3N), washrooms will not be attached to the rooms. because in winters the water in pipes freezes and pipes are jammed. Be aware of fake commitments. its practically impossible to get water in washroom thru pipes

Snow Travel: In case of heavy snowfall, some visits may require a 4x4 vehicle at additional cost, if necessary. We do have snow chains but snow chains are used for just to get out of emergency situation

Health & Safety: As we will be traveling in high-altitude regions, please carry all necessary personal medicines.

New Year and Christmas rates will be different from the price mentioned in the PDF
