Why This Trip with BACKPACKER TOURS?

A 9-day backpacking trip from Delhi: camping in Kasol, the Kheerganga trek with hot springs, a wooden cottage stay, snow at Solang Valley, Manali and a night in a local village house in Sissu beyond the Atal Tunnel.

What Makes This Trip Special?

- Hike to Kheerganga and a hot water spring bath in a natural pool.
- Camping in Kasol, and a rustic wooden cottage stay at the Kheerganga base village.
- Solang Valley, where you can make your own snowman, and a walk to Hadimba Temple.
- A night in a local village house in Sissu, with sunsets and a waterfall hike.
- River rafting and paragliding at Kullu.
- Shopping in Kasol for products made of hemp, and live music in Old Manali.

About the Trip

We go to Himachal Pradesh with 20 young travellers from different parts of India. If you love bonfires, exploring local places rather than tourist spots, walking in the woods or live music in the clubs of Old Manali, this trip is for you. We explore a small part of Himachal the traveller's way, cross the Atal Tunnel into the Lahaul region, trek to Kheerganga for its hot water spring bath, and stay in Sissu, the first village after the tunnel, to experience pure local life. Solo travellers are most welcome.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
