About the Trip

We have run this Himachal Pradesh trip for the past 6 years as a slow-traveller itinerary, so you spend quality time at each location. The stays are valley-view properties, a riverside camp in Kasol and a pure wooden homestay in Kalga with our friend and host Prem Bhai, loved by every participant since 2017. River rafting (8 km in Kullu) is included. Expect bonfire nights, jamming sessions, street food and travel stories, plus the Atal Tunnel at 10,000 ft, Dharamshala cricket stadium and optional paragliding at Bir Billing. Suitable for solo travellers, couples, friends or cousins aged 15 to 40.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
