About the Trip

Beautiful places are often hidden in the most easily accessible places. Parvati Valley in Himachal Pradesh is one of the most beautiful destinations in the world, and a gift for anyone who wants to escape the stress of everyday life without a big budget. The valley starts at the confluence of the Parvati and Beas rivers and is known for its coniferous forests and crystal-clear mountain streams.

Nestled in these hills is the charming village of Kasol, which is fast becoming a hub for backpackers, trekkers and nature lovers. On this trip you stay between apple orchards in a wooden cottage, camp by the river, and enjoy homely, hygienic food at every stay. This is not a hop-on hop-off trip: we cover the itinerary but give you free time at each place to experience it in its best way and to relax. Meet us at Majnu ka Tila in Delhi and travel together to the valley.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
