About the Trip

We go to Himachal Pradesh with 20 young travellers from different parts of India. If you love bonfires, exploring local places over tourist spots, walking in the woods or live music in the cafes of Old Manali, this trip is for you. We explore a small part of Himachal the traveller's way, not the tourist's way, cross the Atal Tunnel into the Lahaul region and trek to Kheerganga, famous for its hot water spring bath. It is a short break from work life to live the moment in the mountains and make new friends. Solo travellers are most welcome. Promoting responsible tourism since 2015.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
