Kashmir is the best thing that ever happened to India. On this trip we take you to the frozen Dal Lake and snow-covered Gulmarg for skiing, and you spend some beautiful time in paradise land. Every person should visit Kashmir once in their life.

Moments from KASHMIR

Breathtaking landscapes, charming villages, new friendships and unforgettable experiences — a journey captured in moments.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
