About the Trip

Kashmir is the best thing that ever happened to India. It flourishes with maple in the fall and green pastures in the summer, and in winter Gulmarg, Sonamarg, Pahalgam and Srinagar appear cast in snow. On this trip we take you to the frozen Dal Lake and snow-covered Gulmarg, and you spend some beautiful time in paradise land. This is a leisure itinerary that balances travel, leisure and exploration, perfect for a road trip to the valleys of Kashmir. Please read the itinerary carefully and choose your travel planner wisely.

Moments from KASHMIR

Breathtaking landscapes, charming villages, new friendships and unforgettable experiences — a journey captured in moments.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
