About the Trip

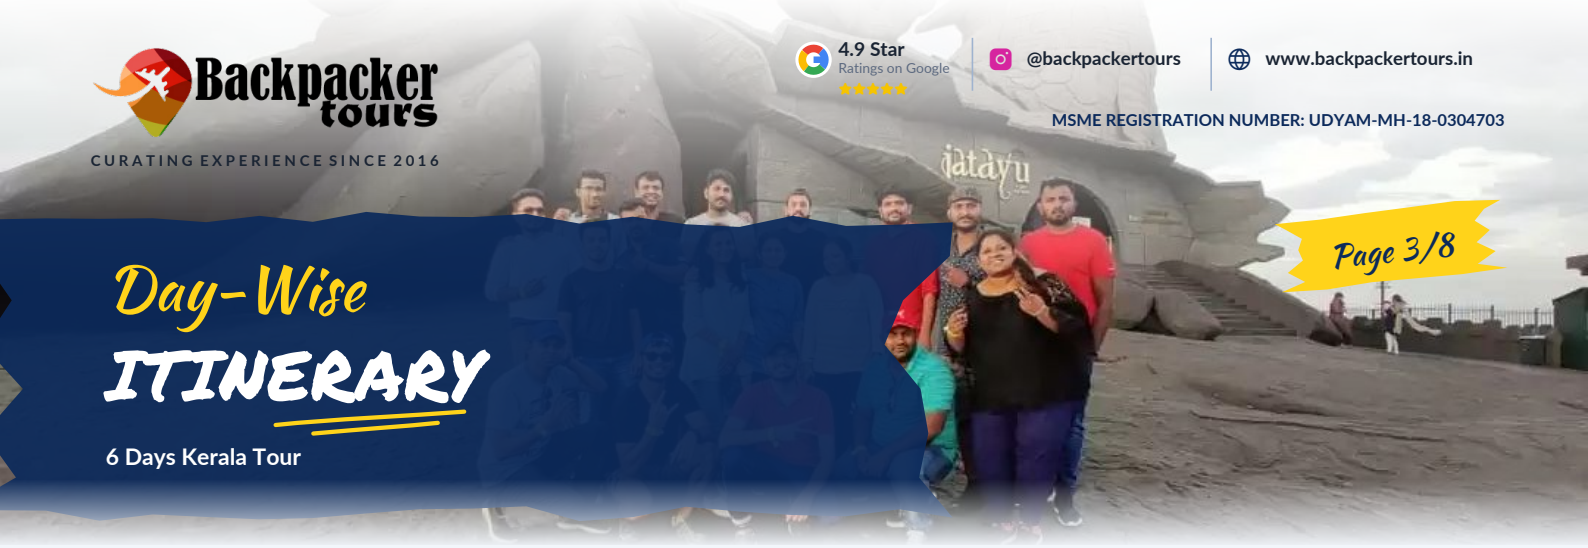

On this trip to Kerala we go to Munnar, Kolukkumalai, Thekkady, Varkala, Jatayu Earth Center and Alleppey. The best time to visit Kerala is September to February, to see the post-monsoon greenery. We stay in Munnar for 2 nights, and in a houseboat in Alleppey for a lifetime experience. Kerala is adorned with emerald backwaters, lush tea estates, pristine hill stations and the azure Arabian Sea. Anyone between 15 and 40 years of age can join this trip. We take only 15 members in a batch, so book your seats well in advance.

Moments from KERALA

Breathtaking landscapes, charming villages, new friendships and unforgettable experiences — a journey captured in moments.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
