About the Trip

Parvati Valley, starting at the confluence of the Parvati and Beas rivers, is famous for its coniferous forests and crystal-clear mountain streams, and Kasol is a hub for backpackers, trekkers and nature lovers. On this trip we stay in riverside camps in Kasol and hike to Kheerganga, famous for its hot water spring bath, staying in camps there. It is a relaxing break from office, but it is not a leisure trip. Batches are limited to 15 people.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
