Why This Trip with BACKPACKER TOURS?

A 12-day Ladakh full circuit by XUV or tempo traveller starting in Srinagar: Kargil, Leh, Nubra Valley, Turtuk, Pangong Lake, the dark skies of Hanle and Umling La, then Sarchu, the Atal Tunnel and a Volvo from Manali to Delhi.

What Makes This Trip Special?

- **Umling La at 19,024 ft, officially the highest motorable road in the world.**
- **Hanle**
  stargazing under one of India's darkest skies, near the Indian Astronomical Observatory.
- **Srinagar's Dal Lake and Mughal gardens, Sonmarg and the Kargil War Memorial.**
- **Nubra Valley, Diskit Monastery and a Bactrian camel ride at Hunder.**
- **Turtuk and Thang, the Balti villages of northern Ladakh.**
- **Pangong Lake by the Shyok route, with a bonfire.**
- **Sarchu, the Atal Tunnel and a semi-sleeper Volvo from Manali to Delhi.**

About the Trip

A road trip through the landscapes of Kashmir, Ladakh and Himachal Pradesh. We start from Srinagar instead of flying directly to Leh, because ascending gradually via Sonmarg and Kargil reduces the risk of altitude sickness and helps the body adapt. The route covers the real Ladakh: Nubra Valley, Turtuk, Pangong Lake, Hanle, one of the darkest skies in India, and Umling La, officially the highest motorable road in the world. Our drivers and coordinators are experienced in high-altitude handling, remote routes, emergency management and permits. You can join from Srinagar or from Leh, and a biking version is also offered.

Moments from LADAKH

Breathtaking landscapes, charming villages, new friendships and unforgettable experiences — a journey captured in moments.

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
