Moments from HIMACHAL

Breathtaking landscapes, charming villages, new friendships and unforgettable experiences — a journey captured in moments.

Naggar

Our Story

We started as three friends who kept getting asked to plan everyone else's Himalaya trips. Nine years on, it's a full-time team of captains, drivers and a support desk that actually picks up — still doing exactly what we started with. No white-labelled itineraries and no routes we haven't driven ourselves. If a batch runs under the Backpacker Tours name, someone on our team has led it before.
